## Terms & Conditions

---

### **Payment Terms**

Net 30 days with approved credit or prepaid in advance.

### **Acceptable Credit Cards**

All Major Credit Cards Accepted.

### **Minimum Order Policy**

\$100.00 NET Minimum orders will only be accepted.

### **Ordering / Confirmations**

All orders will be acknowledged in writing and this acknowledgement constitutes our agreement with you regarding the items that are on your order. Please review this acknowledgement and return a signed copy by email or fax to confirm we have your order correct. No order will be entered without a signed acknowledgement returned.

### **F.O.B.**

All products are shipped F.O.B. Atlanta, Georgia.

### **U.P.S. Shipments**

Any item that is not intended to ship via U.P.S. is marked in the BK Resources catalog with a yellow shipping "Truck Line Only" tag by the product. If a customer chooses to ship this item by U.P.S., Dixie Plumbing Specialties will **NOT** file any freight claim on behalf of the customer.

### **Drop Shipments**

Dixie Plumbing Specialties will drop ship to any location, including residential addresses. Freight charges may be prepaid and added to your invoice if specified on shipments for locations other than the billing address. A \$10.00 drop ship fee will be charged for any orders being shipped to locations other than the billing address.

**NOTE:** Lift gate delivery service, special delivery notification, any inside deliveries and any other special delivery requirements will be subject to additional charges.

### **Freight Claims**

Before accepting any Dixie Plumbing Specialties shipment, examine it carefully and note any damages or shortages on the Freight Bill before signing for delivery. You should also have the driver sign the Freight Bill noting the damage or shortage. All reports of any damage, shortage or concealed damage must be reported to Dixie Plumbing Specialties within 48 hours of delivery. Retain all original packaging for claim purposes. Dixie Plumbing Specialties is not liable for any damage or loss that is not noted on the Freight Bill before accepting delivery or is not reported within 48 hours. Dixie Plumbing Specialties is also not responsible nor liable for the filing of any freight claims associated with any damaged merchandise that was shipped per the customers instructions via a Third Party or Collect.

### **Return Shipments**

Dixie Plumbing Specialties will not accept any returned merchandise unless prior authorization has been issued. All returned merchandise due to customer error are subject to a 25% restocking charge and must be in the original box, in new and unused condition. If any returned merchandise is not in the original box, in new and unused condition there will be no credit issued and the customer will be asked if they would like the merchandise returned to them at their expense. Any merchandise returned as being defective and no defect can be verified will incur a 25% handling fee as well as all freight charges for returning the merchandise and any freight charges for a replacement shipment.

**NOTE:** There will be no returns accepted after 90 days from date of shipment.

### **Warranty**

All BK Resources products come with a standard one (1) year Manufacturer's Warranty against any defects unless otherwise noted.

## Replacement Parts For Metering Faucets

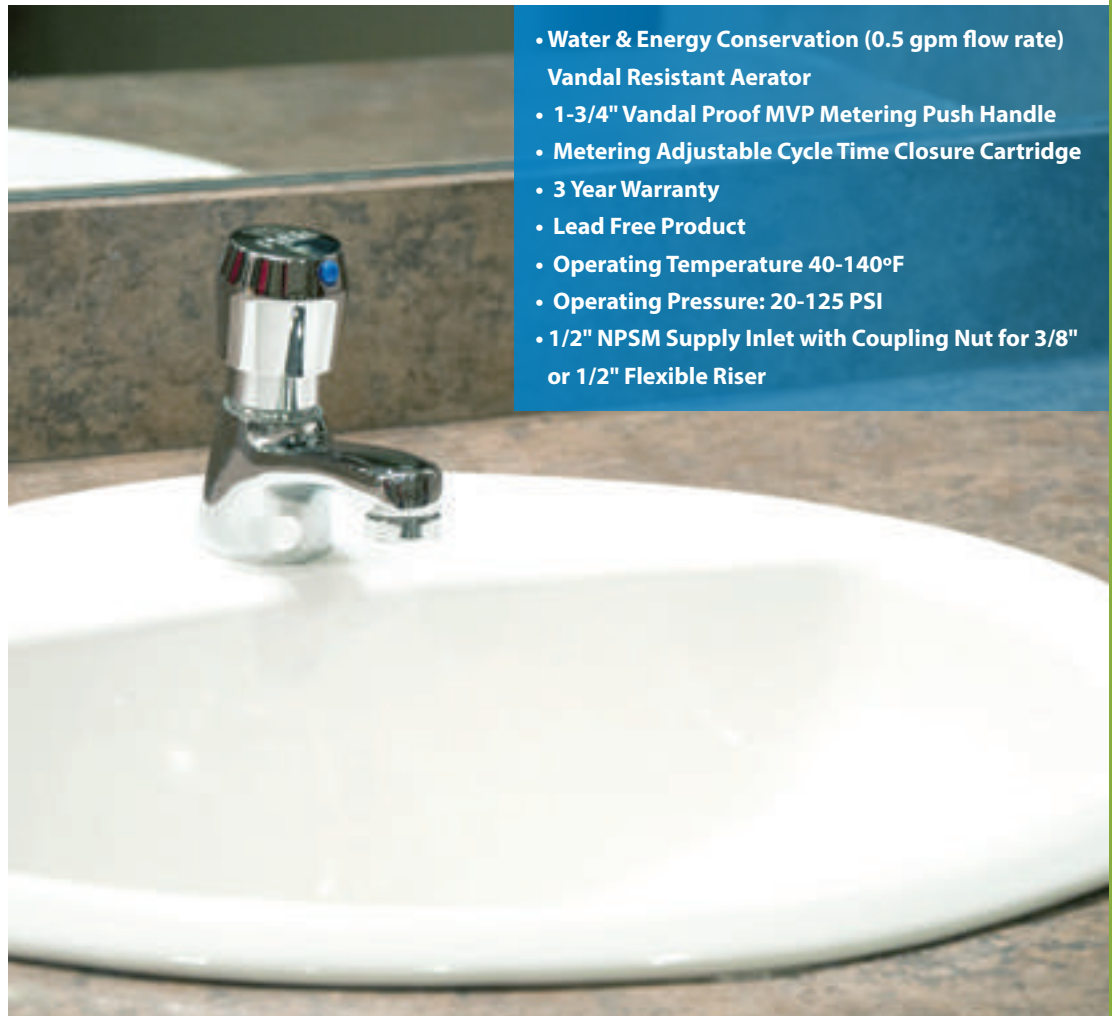

Part Number	LIST PRICE
1 MFD-AA Actuator Assembly	\$40
2 MFD-MV Metering Valve Cartridge	\$30

MFD-AA

MFD-MV

- Water & Energy Conservation (0.5 gpm flow rate)
- Vandal Resistant Aerator
- 1-3/4" Vandal Proof MVP Metering Push Handle
- Metering Adjustable Cycle Time Closure Cartridge
- 3 Year Warranty
- Lead Free Product
- Operating Temperature 40-140°F
- Operating Pressure: 20-125 PSI
- 1/2" NPSM Supply Inlet with Coupling Nut for 3/8" or 1/2" Flexible Riser

**Did You Know?**

According to the EPA, 31% of water used by restaurant or food service establishments takes place in restrooms. For more info, go to [www.epa.gov/watersense](http://www.epa.gov/watersense).

- Water & Energy Conservation (0.5 gpm flow rate)
- Minimum Sensor Range: 3 5/32"
- Maximum Sensor Range: 11 13/16"
- 2 Year Warranty
- Lead Free Product
- Maximum Operating Temperature 40-158°F
- Operating Pressure: 7-100 PSI
- Security Time: The faucet will shut down automatically after 90 sec.
- Single Hole Chrome Plated Touch Free Faucet for Cold or Premixed Water

BKF-JET-G

See Page 8 for details.

**BKF-JET-G - Jet Faucet**

- Available with a 9V Battery or a 9V Transformer
- Adjustable Sensor Settings by Remote Control (Sold Separately)

Part Number	Power Supply	LIST PRICE
BKF-JET-9B-G	Battery	\$500
BKF-JET-9T-G	Transformer	\$500
BKF-JET-9H-G	Hardwire	\$520

BKF-KAI-G

See Page 8 for details.

**BKF-KAI-G - Kai Faucet**

- Available with a 9V Battery or a 9V Transformer
- Adjustable Sensor Settings by Remote Control (Sold Separately)

Part Number	Power Supply	LIST PRICE
BKF-KAI-9B-G	Battery	\$510
BKF-KAI-9T-G	Transformer	\$510
BKF-KAI-9H-G	Hardwire	\$530

BKF-CAS-G

**BKF-CAS-G - Cascade Faucet**

- Integrated Plate to Cover Existing Holes
- Dual Power Input Box Unit that Allows Operating the Integrated Battery Backup, for Normal Use During Power Supply Failures, when a 9V Battery is Added (Lithium Battery Recommended)

## BK Resources Cares About Conserving Water

Use Less Water by Adding our  **LOW FLOW Aerator\*** (\$19 List Price) to Any BK Resources Faucet **OR** Change a Pre-Rinse to Low Flow by adding our  **LOW FLOW Spray Head** (\$79 List Price)!

BK-PRV-1-G  
(See page 14)

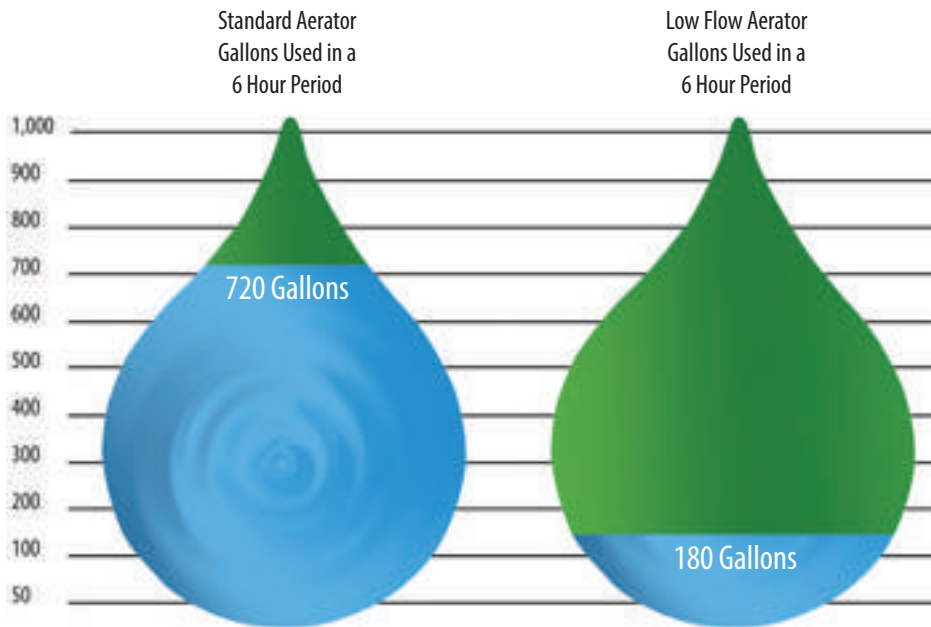

BK-F-C414-VR  
(See page 18 or 28)

## WHY LOW FLOW?

**Less Than 1 Gallon Per Minute**

### Standard vs. Low Flow Aerator Water Consumption Differences

540 Gallons Saved = 75% Difference

**Every Drop Counts!**

## Did You Know?

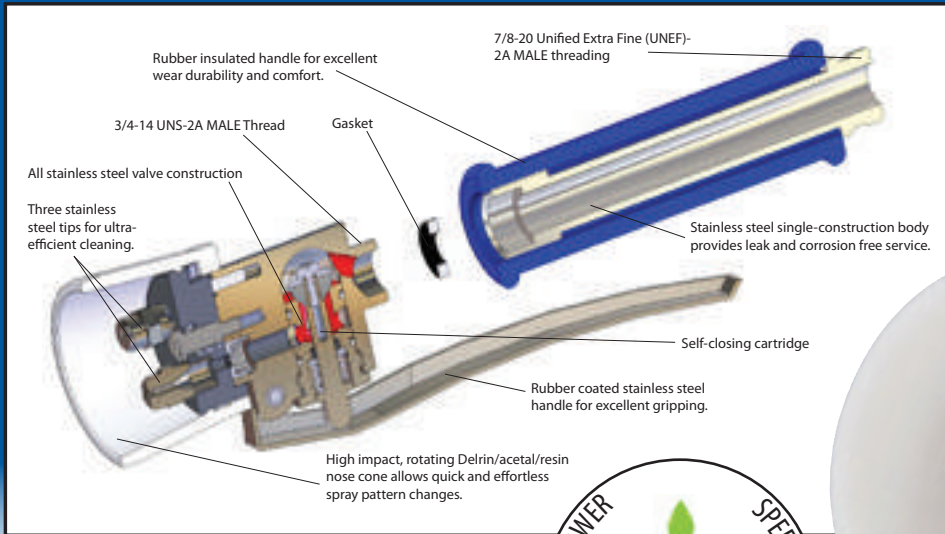

- According to circleofblue.org, there has been a 41% rise in water costs since 2010.
- According to the EPA, "About 970,000 food service establishments in the United States use approximately 51 billion gallons of water each year to rinse dishes with pre-rinse spray valves." For more info, go to [www.epa.gov/watersense](http://www.epa.gov/watersense).
- According to the EPA, restaurant and food service businesses make up around 15% of the total commercial water consumption in the United States. 52% of that water consumption is being used in the kitchen and during the dishwashing process.

**NOTE: (\*) Assembly Required. Aerator does not come attached. The aerator must be added to the Pre-Rinse units with an Add-a-Faucet to create the Low Flow option.**

# Imperial Series

## Imperial Series

- **Water and Energy Conservation** (< .99 gpm flow rate)
- **Fastest Clean Time** (independent test by Food Service Technology Center)
- **Highest User Satisfaction** (testing by EPA WaterSense field study)
- **5 Year Warranty** (longest in the industry)
- **3 Different Spray Patterns** with Every Unit
- **All Stainless Steel Construction** (lead free)
- **NRA Kitchen Innovation Award** Winning Product
- **Endorsed by Green Restaurant Association**
- **Interchangeable with All Major Faucet Brands**

### Spray Pattern Choices

#### Solid Stream Tip

Flow Rate: 0.99 gpm @ 60 psi  
Description: Solid spray pattern with high impact for tough cleaning applications.

#### Fan Spray Tip

Flow Rate: 0.92 gpm @ 60 psi  
Description: 5° fan spray for general cleaning applications.

#### Fan Spray Tip

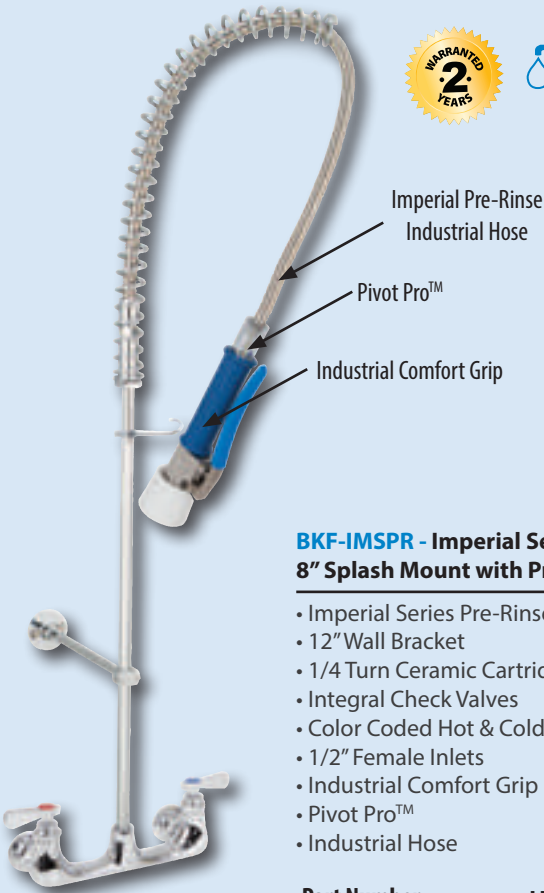

Flow Rate: 0.91 gpm @ 60 psi  
Description: 15° fan spray for general cleaning applications.

## What Size Grease Trap Do I Need?

Use this formula or calculation to find the right size grease trap for your kitchen setup.\*

<b>1.</b>	<b>Length X Width X Depth of your bowls</b> (All Total. Example: a 3 Compartment Sink - add up each compartment LxWxD for a total)	+
<b>2.</b>	<b>Multiply that number by the number of bowls</b> (Example: a 3 Compartment Sink, multiply by 3)	X
<b>3.</b>	<b>Divide by 231</b> (This gives you contents in gallons.)	÷
<b>4.</b>	<b>Multiply by .75</b> (This gives you grease capacity in lbs.)	X
<b>5.</b>	<b>Look up capacity (lbs.) to find grease trap model you will need</b>	<b>TOTAL</b>

\* Always refer to Local Codes.

Thanks to The Plumbing & Drainage Institute for this formula.

NEW

# Refrigeration

Back Bars • Bottle Coolers • Direct Draw

### Enhanced Refrigeration System

- Oversized and balanced
- CFC free R-134a Refrigerators maintain temps between 28°F to 38°F
- Keeps beers ice cold
- ETL Certified

### Heavy Duty Construction

- 18 gauge Stainless Steel Top
- Wear resistant black vinyl exterior
- Galvanized interior with coved corners
- Analog Thermostat
- Stainless Steel Floors

### Warranty

- One Year labor and parts warranty
- Five Year compressor warranty

# BACK BARS

**• Heavy Duty Construction**

Top is made of solid 18 gauge stainless steel for easy cleaning  
Wear resistant black vinyl exterior. Galvanized interior with SS floor and coved corners

**• Field Interchangeable Doors**

Solid to Glass and Glass to Solid based on operator's needs

**• Dual Pane Thermal Glass (G Models only)**

Black aluminum frame, merchandise your product with greater visibility

**• Enhanced Refrigeration System**

Factory engineered oversized and balanced refrigeration system. CFC free R-134a refrigerators maintain temperature between 33°F to 38°F, keeping beers ice cold.

**• Left Side Mounted Compressor & Front Breathing**

System allows easy service & unrestricted placement for the unit even in narrow spaces

**• Analog Thermostat**

**• Stay Open Doors with Locks & LED Light**

90° stay open door feature and LED light underneath the mullion

**• Adjustable, Coated Wire Shelves**

Create three levels to fit tall boy beers

**• Magnetic Gasket**

One Piece gasket removable without tools for ease of cleaning and replacement

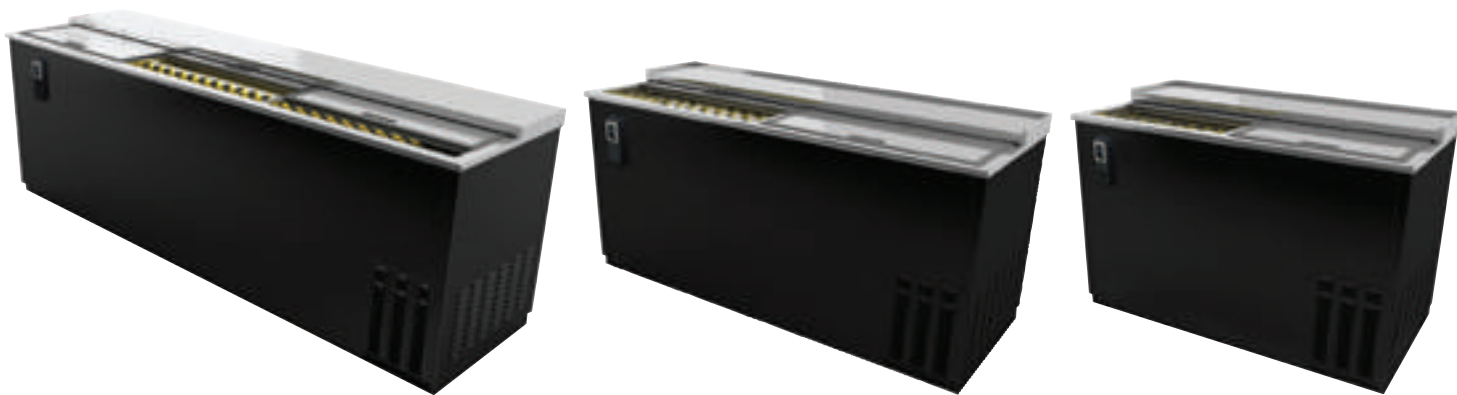

**Options**

- Additional flat or bottle rail shelves
- 3" casters

# DRAFT BEER COOLERS

**• Heavy Duty Construction**

Top is made of solid 18 gauge stainless steel, including drip tray(s), for easy cleaning  
Wear resistant black vinyl exterior. Galvanized interior with SS floor and coved corners  
Drain is located in rear of cabinets to keep unit pristine at all times

**• Polished Stainless Steel Towers**

Draft towers are three inches in diameter, stainless steel with polyurethane insulation.  
The continuous flow of cold air throughout the tower results in a perfect pour

**• Interchangeable Doors**

Field interchangeable doors from Solid to Glass or Glass to Solid.

**• Enhanced Refrigeration System**

Factory engineered oversized and balanced refrigeration system. CFC free R-134a refrigerators maintain temperature between 33°F to 38°F, keeping beers ice cold.

**• Side Mounted Compressor & Front Breathing**

System allows easy service & unrestricted placement of the unit

**• Analog Thermostat**

**• Stay Open Doors with Locks & LED Light**

90° stay open door feature and LED light underneath the mullion

**• Open Cavity**

Evaporator located on left side above compressor provides an open cavity and more working room

**• Magnetic Gasket**

One Piece gasket removable without tools for ease of cleaning and replacement

**• DBC-11-24**

Single keg units are rear breathing with internal drain, internal CO2 chain harness and knockout place for external CO2 PLACEMENT.  
Includes 5" casters

**Options**

- Single / Double draft towers
- 3" casters
- 3-way gas valve & 4-way gas valve
- Dunnage floor
- 220v-50Hz-1Phase

- Zinc Plated
- 1/2" King Pin

**ST** - Threaded Stem

- 4 Different Stud Sized To Fit Any Application
- Zinc Plated
- Dust Covered Raceway Standard
- Double Ball Bearing Raceway For Longer Wear And Added Strength

**1ST** - Pop In Stem

- Grip Ring For Easy Installation
- Zinc Plated
- Dust Covered Raceway Standard
- Double Ball Bearing Raceway For Longer Wear And Added Strength

## Available Wheel Materials (B)

300 LBS  
WEIGHT CAPACITY

**PLY** - Polyurethane

- Tread Mechanically Bound to Polyolefin Core
- Resistant to Acids & Caustics
- Non-Marking
- Temperature Range -45° to 180°F

350 LBS  
WEIGHT CAPACITY

**PH** - Phenolic

- Resistant to Oil and Grease
- Temperature Range -50° to 250°F
- Easy Rolling, Quieter than Steel Wheels
- Excellent Floor Protection

300 LBS  
WEIGHT CAPACITY

**LDP** - Polyolefin

- Injection Molded
- Impact Resistant
- Non-Marking
- Temperature Range -45° to 180°F
- Highly Resistant to Chemicals and Solvents

300 LBS  
WEIGHT CAPACITY

**HR** - Hard Rubber

- High Impact Molded Rubber
- Temperature Range -40° to 160°F
- Nylon Bearing Sleeve

250 LBS  
WEIGHT CAPACITY

**GR** - Gray Rubber

- Non-Marking
- Temperature Range -45° to 180°F
- Resistant to Oil, Grease, Water and Most Solvents
- Smooth & Quite

## Available Brake Options (C)

**TLB** - Top Lock Brake

- Locks Wheel
- Works With All Wheel Sizes

**TAB** - Toe Activated Brake

- Locks Wheel with Foot Pad
- Works With All Wheel Sizes

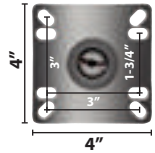

**TTB** - Total Lock Brake

- Locks Wheel and Swivel
- Not Available With 3" Wheels

SPECIAL ORDER CASTERS AVAILABLE. CALL FOR PRICING.

## Terms & Conditions

### F.O.B Factory

All BK Resources products are shipped F.O.B. Altamont, IL. - Flyer subject to change without notice.

### Ordering / Confirmations

We acknowledge all orders in writing and this acknowledgement constitutes our agreement with you regarding what is on your order. Please review your acknowledgement and fax back a signed copy of the acknowledgement to confirm your order is correct. We will NOT be held responsible for errors due to misunderstandings on orders.

### Drop Shipping

BK Resources will drop ship to any location, including residential addresses. Freight charges may be prepaid and added to your invoice if specified on shipments for locations other than the billing address. A \$5.00 drop ship fee will be charged for any orders being delivered to locations other than the billing address. **NOTE:** Lift gate service, notification of delivery, inside delivery and other special requirements will be subject to additional charges.

### Minimum Order Policy

\$50 NET minimum order. All orders under \$50 subject to \$25 handling fee or the difference between order total and \$50. Fee not to exceed \$25.

### Return Shipments

BK Resources will not accept any returned merchandise unless authorization has been issued. All returned goods due to customer error are subject to a 15% restocking fee and must be in the original box, new and unused condition. If we find the product is not new, a credit will not be issued and the customer will be asked if they want the product returned to them at their expense. No Returns after 90 Days.

Merchandise initially returned as defective, whose defect cannot be verified, will incur a 15% restocking fee as well as a freight charge for the replacement shipment and the freight charge for picking up the return.

### Freight Claims

BEFORE accepting any shipment, examine it carefully and note any damage or shortage on the Freight Bill **BEFORE** signing for delivery. Report any damage, shortage or concealed damage to BK Resources within 48 hours of delivery. Retain the original package for claim purposes. **BK Resources is not liable for any damage or loss that is not noted or reported prior to accepting delivery. BK Resources is also not responsible for the filing of freight claims associated with, nor liable for, any damaged merchandise that was shipped per customer instructions via Third Party or Collect.**

### U.P.S. Shipments

Any item not intended to ship U.P.S. and is indicated in the BK Resources catalog as shipping **Truck Line Only**; that the customer chooses to ship UPS, BK Resources will NOT file the freight claim on behalf of the customer.

### Free Freight Program:

**BK Resources Offers Free freight for \$2,000.00 + Net Invoiced Orders. We reserve the right to choose the shipper. Items must be in stock at the time of purchase. No free freight on back orders is allowed.**

**NOTE:** Lift gate service, notification of delivery, inside delivery and other special requirements will be subject to additional charges that will be invoiced to the customer once BK Resources has been notified of the additional charges from the shipping company.

Assembled Ladderback Chairs do not qualify for FREE FREIGHT.

### Warranty:

All BK Resources products come with a Standard 1 Year Manufacturer's Warranty against defects unless otherwise noted.

BK Resources' 75,000 sq. ft. Headquarters, Warehouse & Distribution Center, Altamont, IL
